

AUDA StreetScape Update

October 26, 2011

CONSTRUCTION PROJECT UPDATE

From October 26th–November 2nd, please anticipate construction work to continue between Elder's Station & Pine Street on Lincoln Way. WAVE Broadband & AT&T are scheduled to work this week and next on their undergounding portion of the work.

Hansen Brothers is scheduled to begin grinding the existing asphalt at night on Tuesday, November 1st to facilitate the paving scheduled for Thursday and Friday, November 3rd & 4th.

The new streetlights are scheduled to arrive the week of November 7th and will be installed by Gray Electric once they arrive.

The landscaping portion of the project still remains a few weeks out and will occur once all the underground utility work has been completed.

10/25/2011

Please anticipate some delays on Lincoln Way. We regret this inconvenience and ask our residents, businesses and visitors to be patient and considerate during the project. The construction will occur over the next month.

Please remember that businesses are open during construction and there is public parking located on Lincoln Way near Elder's, near Depoe Bay and off E. Placer St.

More information on the Streetscape Phase II Project can be found online at:
